Product short description:

Smartliner Fisher 23 Boat – Smooth Cruising Meets Angler-Ready Design

The Smartliner Fisher 23 Fibreglass combines the durability and low maintenance of fibreglass with the performance of a deep-V hull. Engineered for serious anglers and weekend cruisers alike, this 23-foot boat delivers a dry, stable ride and versatile deck layout for fishing, family outings, or coastal exploration.

Key Features

- Self-bailing cockpit
- Spacious cockpit with Pilothouse cabin
- Lots of storage for fishing gear
- All metal fittings are anodized
- Strong rub rail for hull protection
- Lower HP needed for planing
-
- The asymmetrical cabin provides easy and safe access to the bow where there is comfortable bench seating for two

Engine options:

- Boat with Tohatsu 115 £36,795
- Boat with Tohatsu 140 £37,995
- Boat with Suzuki 140 £39,490
- Boat with Suzuki 150 £41,950.00

Product description:

Smartliner Fisher 23 Boat – Smooth Cruising Meets Angler-Ready Design

The Smartliner Fisher 23 Fibreglass combines the durability and low maintenance of fibreglass with the performance of a deep-V hull. Engineered for serious anglers and weekend cruisers alike, this 23-foot boat delivers a dry, stable ride and versatile deck layout for fishing, family outings, or coastal exploration.

Key Features

- Fibreglass deep-V hull for a quiet, responsive ride in choppy conditions
- Spacious cockpit boat for 3 people, boat has total capacity for 7 people
- Enclosed helm console with windscreen, grab rail, and electronics mounting
- Transom supporting up to 150 HP outboard engines

Why the Smartliner Fisher 23 Fibreglass Stands Out

- Enhanced hull rigidity reduces vibration and improves fuel economy
- Smooth gelcoat finish resists osmosis and simplifies upkeep
- Ergonomic deck plan balances angler workflows with passenger comfort
- Ample built-in storage for gear, cooler, and safety equipment
- Ideal for families who fish, dive, or cruise in style

Technical:

- Length 7.15 metres
- Beam 2.54m
- Draft 0.48m
- Weight 1150kg boat only
- up to 7 people capacity
- maximum hp 150hp
- Category C
- Fuel tank capacity 150 litres
