Product short description:

The Smartliner Cuddy 21 is aimed at the larger family or group of friends who want excellent space in the cockpit.

The Smartliner Cuddy 21 planes easily and requires less horsepower due to her well designed hull, the reverse chines on her forward sections give a dry ride.

A choice of engine options are available.

- Durable, stable, sea worthy boat
- Self-bailing cockpit
- Spacious cockpit with cuddy cabin
- Lots of storage for fishing gear
- All metal fittings are anodized
- Strong rub rail for hull protection
- Lower HP needed for planning
-
