Product short description:

The Smartliner Sunbreeze 226 is a smart and elegant boat that performs and handles well. it has a spacious cabin and a large double sunbed at the rear with Honda BF1150 outboard.

This boat is an ex display and is priced to clear to make way for new stock.

Product description:

The Smartliner Sunbreeze 226 is a smart and elegant boat that performs and handles well. it has a spacious cabin and a large double sunbed at the rear.

Safe access to the bow leads you up to another double sunbed with comfy cushions.

Smartliner boats come as standard with many cool bits including stainless steel hand rails, cleats and fairleads, swivelling pilot seat, electric and manual bilge pump, switch panel with 2 USB outlets for charging devices, chemical toilet, large anchor locker and hydraulic steering to name a few.

We can offer a road trailer so you can tow your awesome boat around for an additional £5000.00 making this a truly fantastic package.
